### **Destination Weddings**

Destination weddings are spectacular filming opportunities. As such, your destination wedding video will no doubt be gorgeous and *unique* in every way. Having that in mind, exact pricing will vary. Travel costs and lodging will be added in addition to the normal costs. Please feel free to reach out to us with an outline of your day(s) and we may discuss all of the amazing details.

### **\*Etc Details**

- Each package can be customized to fit your needs.
- Travel costs will be added for weddings outside of a 20 mile radius of Bozeman.
- At the moment, we do not provide wedding *photography*. We would be happy, though, to recommend photographers in our area. (Because of this, the photos used in this file are screenshots from videos of ours.)
- Our team currently consists of Jelani and Maya Ersland, husband and wife.
- Filming will be more behind-the-scenes than that of a role of a photographer. We will strive to keep out of the way of your big day. 😊
